

OneAZ Connect

THIRD QUARTER 2021

PRESIDENT'S MESSAGE

Dear Members,

As businesses and consumers return to their new normal, more and more Arizonans are joining OneAZ as their primary financial institution. COVID gave us an opportunity to become more creative and effective by doing business differently and better. So we implemented numerous enhancements over the last several months to better serve members when, where and how they choose.

This past June welcomed a new online and mobile banking platform, which gives members expanded features like greater control over debit and credit cards, travel notices, financial wellness tracking, and an identical experience across all devices. The new OneAZ Mobile Banking app offers true banking mobility, with the freedom to manage your finances anywhere, anytime, any way you like. If you have not already done so, I highly encourage you to download the OneAZ Mobile Banking app on the Apple App Store or Google Play Store.

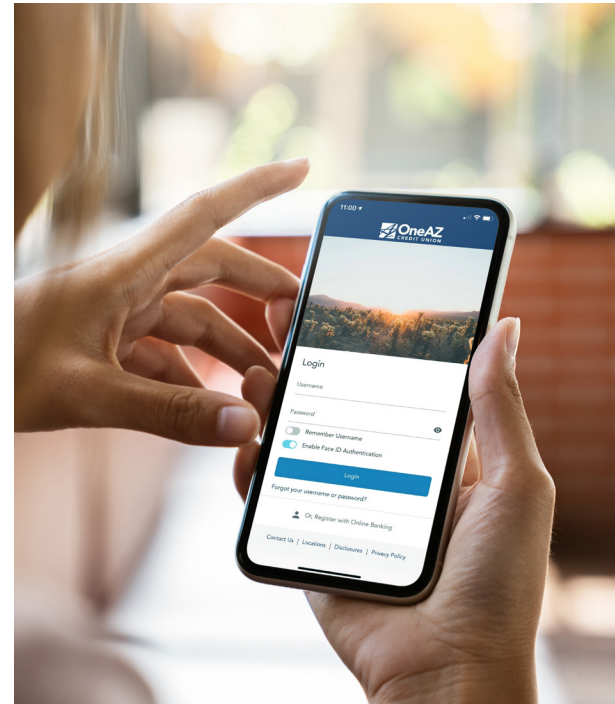

In an effort to expand our branch footprint to better serve members, we will be moving our current Beaver Street location to a new site in Flagstaff, which will open in December. An additional ATM was recently installed at our Tucson Alvernon location, which offers members more convenient drive-up access. We are looking to expand our branch network in north Phoenix and in the southeast and southwest valley.

In celebration of OneAZ's 70th anniversary, our Foundation has pledged to award \$290,000 to Arizona nonprofits in 2021. The OneAZ Community Foundation is funded by OneAZ Credit Union and vendor partners. Nonprofits are encouraged to apply for a grant from one of our three grant programs if their initiative aligns with our five pillars of support: food banks, veterans' interests, children's health, financial literacy and local youth programs. Nonprofits can apply online by visiting OneAZFoundation.com.

Our commitment to improve the lives of our members, associates, and the communities we serve remains steadfast. Thank you for your continued support through your membership.

In service,

Kim Reedy
President and CEO
